

Rita Gonçalves

Junior frontend developer

ABOUT ME

I'm a junior frontend developer with a solid foundation in UI/UX design. I'm super excited to combine my 4 years of design and user experience expertise with my newfound programming abilities.

- 🎨 Design Expertise
- 🚀 Aspiration for Growth
- 🔧 Tech Enthusiast
- 🤝 Collaborative Spirit

EXPERIENCE

Visual Designer and Junior WordPress Developer

Digital Wizards - Online Marketing Company

Jan 2020 - July 2023 Amsterdam

- Design and implement over 30 landing pages. Ensure it is responsive, adapting seamlessly to various screen sizes
- Collaborate with developers to build online stores based on customized requirements
- Design over 100 impactful visuals for digital platforms, enhancing SEO to elevate the quality and credibility of our clients online presence, making them noteworthy for citation on Google
- Create a dynamic carousel or image slider that allows users to navigate through content
- Develop a form with client-side validation
- Conduct a performance audit on an existing project for a client. Identify and implement optimizations to enhance loading speed, minimize resource requests, and improve overall performance.

PROJECTS

Pet Lovers (mobile only) - petlovers.pics

December 2023

- Work with a team to developed a user-friendly mobile app for reporting lost and found animals. The app showcases detailed pet profiles with last-known locations, complemented by an interactive chatroom.
